Introduction of Our Group

Group Structure

Group Structure

City Mart Holding Co., Ltd.

Established in 1996, CMHL is the leading retailer in Myanmar with the highest market share in multiple retail formats. Committed to delivering quality, freshness, value-for-money, comprehensive product range and excellent customer service, we seek to serve more of Myanmar's population through expansion of retail outlets and by introducing new retail concepts.

Premium Distribution Co., Ltd.

Premium is the leading distribution company in Myanmar specializing in retail, food service, and non-food products. Started in 2003, Premium was founded on the vision of serving the local community by bringing international quality products into the country.

City Properties

City Properties Co.,Ltd is the leading retail space management company in Myanmar with more than 1.5 million square feet under management. We pride ourselves in having more than 13 years of experience in shopping center management, beginning with North Point Shopping Center in 2006. Our commitment to strong economic, environmental and social practices are embedded throughout the organization – from our policies and our customer service initiatives to day-to-day operations so that we deliver enduring growth for thriving communities.

City Ventures

City Ventures is a partner, company builder and investor in innovative and dynamic projects and companies with a mission to uplift and empower the people of Myanmar. We have formulated a unique 5-stage development cycle that allows us to come up with our own ideas and/or partner with others to support their ideas all within the support and networks of City Holdings Ltd. We also invest in and acquire established companies. We are industry and age agnostic and prefer to focus on those individuals, ideas, projects, partners and/or companies who are creating and building true value for Myanmar people and businesses.
